

APPLICATION FOR OCCUPATION OF FOOTPATH/ROADWAY PERMIT 2014-2015

IMPORTANT: Cranes, Hoists, Builders Sheds, Skip Bins, Scaffolding, Concrete Pumps, or similar placed on the Roadway require:-

- a) Council Approval
- b) Police Permission

To obtain Police permission, application is to be made to the Traffic Supervisor, New South Wales Police Local Area Command.

Council will not issue Occupation of Footpath/Roadway Permit for shipping containers.

Note: Council is unable to provide permission for vehicles to park contrary to existing parking restrictions and permission to do so should also be obtained from the Police.

Application for Occupation of Footpath/Roadway Permit shall be submitted to Council at least seven (7) days prior to commencement of works.

Any approval granted for Occupation of Footpath/Roadway Permit is NOT an approval of a Traffic Control Plan.

No occupation of footpath/roadway is permitted until authorised by Council in writing.

CONDITIONS GOVERNING OCCUPATION OF THE FOOTPATH/ROADWAY

The general conditions governing the Occupation of the Footpath/Roadway are set hereunder. Any variations or special directions given by authorised officers of the Council, or by any Police Officer are also to be complied with by the permittee (the holder of the permit). Permit is valid only for the period covered by the nominated start and finish dates.

Police Permission

1. Police permission is required before any Occupation of the footpath/roadway occurs. To obtain Police permission, application is to be made to the Traffic Supervisor, New South Wales Police, Local Area Command.
2. Council is unable to provide permission for vehicles to park contrary to existing parking restrictions and permission to do so should also be obtained from the Police.

Permit To Be Produced On Demand

3. The Permit shall be produced on site by the permittee for inspection by any authorised officer of the Council, or by any Police Officer who may require to examine it.

Protection of Public by Permittee

4. Council shall be indemnified against all claims for damage or injury which may result from the occupation of a site. All applicants must have a \$10,000,000 Public Liability Insurance Policy.
5. The permittee is responsible for the protection of the public from hazards which may be caused by the occupation of the footpath/roadway.
6. Barricades, lights, reflective cones or safety mesh shall be placed appropriately around the approved item wherever required as a protection for the public.
7. Provisions for safe access for pedestrians around the approved item will need to be made at all times.
8. Any road occupancy must comply with all conditions set by Council, the Police or Roads and Traffic Authority regarding time restrictions and the number of traffic lanes to be maintained.
9. Traffic control at the site shall comply with the requirements of WorkCover, Australian Standard 1742.3 – Traffic Control Devices for Works on Roads, and the RTA Traffic Control at Work Site Manual.
10. The site of the approved item is to be adequately lit with flashing yellow lamps, supplemented by reflectors. Not less than two lamps both visible to approaching traffic must be placed on any approved item. The responsibility for keeping lamps lit lies with the permittee.

Kerb and Gutter Status Form

11. Prior to any occupation of the footpath/roadway the applicant shall return the attached footpath/kerb and gutter form to Council detailing the existence of, and the condition of, any footpath paving, and/or kerb and gutter provided adjoining the site for checking against Council's records. Damage to footpaths, kerbs, stormwater systems and general streetscape will require restoration at the permittee's expense.

General

12. The Permittee is responsible for any damage to Public Utility installations.
13. The Permittee is responsible for locating of all relevant utility services by contacting "Dial Before You Dig" on phone 1100 or good industry practice prior to commencement of any civil works.
14. A road occupancy permit must be obtained when undertaking any construction or maintenance work (except for a Works Zone or Hoarding) on a footpath or road in the Fairfield City Council Area (except on roads controlled by the Roads and Traffic Authority). Failure to obtain a permit or non compliance with the permit conditions is a breach of the Local Government Act 1993 as amended, Environmental Planning and Assessment Amendment Act 2008, and/or the Roads Act 1993 as amended. Infringements will be issued in accordance with the regulations of these Acts.
15. The Permittee is to reimburse Council for the cost of repair of any damage caused to the footpath/roadway under Council's control, or as a result of the activities and occupation of footpath/roadway.
16. The Permittee is to notify Council of any variation on the approved date and conditions of approval and obtain a revised permit on this matter.
17. At the time of lodgement, if there are any unknown details such as start and end dates of the work, contractor's public liability cover number and kerb and gutter status, etc, the applicant shall contact Council and provide this information prior to intended commencement date of works. Upon receipt of the necessary information, Council will issue a permit/consent for the work.
